MATION DISCLOSURE STATEMENT BY APPLICANT

| Attorney Docket Number | 3382-65598-01 |
|------------------------|---------------|
| Application Number | 10/628,054 |
| Filing Date | July 25, 2003 |
| First Named Inventor | Grover |
| Art Unit | 2122 |
| Examiner Name | Unknown |

U.S. PATENT DOCUMENTS

NOTE: If this application was filed after June 30, 2003, copies of United States patents and United States published patent applications do not have to be provided to the Patent Office. This requirement of 37 C.F.R. § 1.98(a)(2)(i) has been waived by the United States Patent and Trademark Office pursuant to the Official Gazette Notice on August 5, 2003 (1276 OG 55).
